This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

The diagram illustrates the ELYTR sensor assembly. On the left, three square icons represent the sensor units: ELYTR80, ELYTR90, and ELYTR100. On the right, a larger diagram shows the sensor unit (a white square with a black dot) connected to a control unit (a black rectangle) via a cable. The control unit is labeled 'ELYTR' and '80/90/100'.
